RN Renewal of Licenses

Professional nurse (RN) renewal applications were mailed the first part of May to all currently licensed registered nurses. Completed applications must be postmarked no later than August 31, 2005 to avoid a late fee being assessed. In a hurry? Waited until the last minute? Like the convenience of using your credit card? Then On-Line renewal is the way to go. Just access www2.state.id.us/ibn—select **Licensing Information** and click on **Renewals—RN/LPN**. In ten to fifteen minutes, and for a nominal additional fee, your license will be renewed. Still want to renew by mail and didn't receive a notice? Call the Board at (208) 334-3110 ext 21 for a duplicate form.

Check out your Employees.....use the Board's IVR

The Board of Nursing encourages the use of the Interactive Voice Response System (IVR) by employers to check current licenses of their employees. To access the IVR, available 24/7, call the main office number (208) 334-3110 and select the RN/LPN Licensure Information System. The numerical portion of the license number is required to make an inquiry. If necessary, an operator can be accessed by following the instructions (M-F/8-5 MDT). Please note: The IVR CANNOT verify temporary licenses or licenses for Advanced Practice Professional Nurses (CNM, CNS, NP or RNA).

Need Assistance?

You, or someone you know, may no longer be able to practice with reasonable skill and safety because of impairment from drugs, alcohol or a mental health disorder. The Program for Recovering Nurses (PRN), an alternative to disciplinary action channels impaired nurses into treatment and rehabilitation and monitors their return to safe, effective practice while essentially sparing their nursing license. Do the right thing for you, your colleague and most importantly, your patients, by contacting the PRN at (800) 386-1695 or online at: www.southworthassociates.net

Duplicate Licenses Issued

The following persons were issued duplicate certificates during the period September 16, 2004—March 31, 2005. Original certificates were reported as lost, stolen, never received in the mail or were re-issued because of a name change. Duplicates are identical to original certificates with the exception of the word “DUPLICATE” on the license. Please notify the Board of Nursing immediately should anyone present one of these certificates without the word “DUPLICATE” printed on the document.
